Module 2 – Reliance

Generosity in the Driver's Seat

In this moment, I choose to put my generous Self in the driver's seat.
Consciously, I usher pettiness and judgment out of the vehicle.

I allow love, generosity and kindness to guide my thoughts and actions
regardless of what others say or do.

I find the most generous explanation for anything said or done that
feels less than loving.

I know that everything is either love or a cry for love.

I meet love with love.

I meet a cry for love with love.

In this moment, I choose to put my generous Self in the driver's seat,
generously acknowledging only one Love.
