Module 8 Awareness Assignment – Inside Out

Day 7

Transcending Ourselves

“As human beings we are made to surpass ourselves and are truly ourselves only when transcending ourselves.”

– Huston Smith

Two ways to transcend ourselves: Brilliance and Divinity.

Brilliance

The human and personally unique: consistently growing, quantum leaping and expanding the boundaries of our service and contribution. The practice of our craft. Living and working beyond our own innocently self-imposed self-consciousness.

Divinity

The Divine and Universal: going beyond our human limitations, accessing our innate Divinity where all things are possible.

To living our Brilliance and our Divinity . . .
